We have on one or two persions differed with our dig authorities for reterance to their action upon marters of city government and must do them the in-tice to say that in all cases in which they have one ted laws not conducive to the public g od they have upon a proper showing of the fact repealed such laws without delay. In view of all the circumstances we do not balls we that the Board at its last session acted wisely in probibiting the temporary storage of cuton on the Blaff. This large space, as it now its, is not calculated for any other purpose that we can think or. It is not by any means an ornament to our city, and until it is improved or brought into the condition designed by its domain it could be put to no better use. If our inspensable are comselled to put all cotton into warehouses it will cause additional expense to the planter, and will in that be injurious to our city. Taxes are heavy enough already without adding to them by unnecessary outlay. We hope that our authorities will investigate the matter as glossly as its merits deserve and we are satisfied that if they do so this last embargo will be re-
